Did It Again

Shakira

First floor, room 16
Smells like danger, even better
Set your goals, bless our souls
I'm in trouble but it feels like heaven, hey
You were like one of those guys
The kind with a wandering eye
But I said, hey, what the hell
Once in my life I'll take a ride on the wild side
You were so full of yourself
But damn, were you cute as well
You liked my legs, I liked your moves
Anyone could tell, not a heart could deny that
Did it again, love, I got it all wrong
But it felt so right, I can't believe it
And all the mistakes that went on for too long
Wish there was a way I could delete it
Second night in a row
Back in trouble, I don't get it
Gotta keep it down, 'cause the lobby called
We ignore it, it's getting better, hey
When it comes to men, it's known
That I end up choosing wrong
'Cause I always trip and fall
The same old rock and repeat and go back
How blind a girl can be
To miss you hiding your ring
Thought about everything
I'm so naive imagining all that

Did it again, love, I got it all wrong
But it felt so right, I can't believe it
And all the mistakes that went on for too long
Wish there was a way I could delete it
It may seem to you that I am in a place
Where I'm losing the direction of my life
But I'm sure that this is nothing but a phase
Right back at ya 'cause I'll survive
It may seem to you that I am in a place
Where I'm losing the direction of my life

But I'm sure that this is nothing but a phase
Right back at ya 'cause I'll survive
Now see, I can put you where you want to be
Believe that
See, now I can put you where you need to be
You can believe that
Whenever, wherever then, if you let me don't try to begin
If you considerin' about stoppin' this flow, you need a friend
So break me off a piece of that, so sweet, so bad, the kitty cat
In the 'cuzzi in rome, remember that? I need you soon, I'll be your groom
This feelin', this vibe, this night in June
I remember you said your hips don't lie, love it when they move
I will only bring good vibes in your life, your love consumes
All day, every day I dream of being with only you, and them hips
Did it again, love, I got it all wrong
But it felt so right, I can't believe it
And all the mistakes that went on for too long
Wish there was a way I could delete it
Did it again, love, I got it all wrong
