Too Hot Ta Trot

Commodores

(Too hot to trot, say what, too hot to trot)
(Too hot to trot)Well, you're too hot to trot now, baby
Well, you're too hot to stop, whoo, baby
Well, you're too hot to trot now, baby
Well, you're too hot to stop, whoo, babyThe things that you do
The things that you say
That you love me baby
In the strangest way
What you're doin' to me girl
Is knockin' me down
I can see right now
That you're the best thing around(I want to know, now, is there a place for me?)
(In your heart girl) girl, that's where I want to be
(Because I love you, that's something I want to do)
(All the sweet things) oh, all the sweet things
I want to do all the sweet things for you, baby
Let me do all the sweet thingsWell, you're too hot to trot now, baby
Well, you're too hot to stop, whoo, baby
Well, you're too hot to trot now, baby
Well, you're too hot to stop, whoo, babyI just love every minute of what you do to me
You make me squeal, you make me feel
So good inside now, [?](Sweet pretty woman, I just want you to know)
(That I love you) oh, I love you, love you baby
(My head is spinnin' with what you're doin' to me)
