Call Me On the Ouija Board

Sharon Needles

Verse 1:
It's just you and me baby.
We're trapped in two different worlds.
Now I know you're no downtown boy, well I'm no uptown girl neither.
We're trapped between two realms you see.
You wanna talk to me?
Well then drop the phone,
And pick up the board.Prechorus:
I'll be your Carol Anne
I'll be your pentagram
Let's dabble in the black arts
This is not a game
Let me spell my name
Let's keep this in the darkChorus:
A-B-C-D-E-F-G
Call me on the Ouija Board
H-I-J-K-L-M-N-O-P
Call me on the Ouija Board
Q-R-S-T-U and I
Call me on the Ouija Board
W-X-Y-and-Z
Call me on the Ouija Board
On the Ouija BoardVerse 2:
Place your fingers on the board
And tell me what you'll do to me.
I will spell a fantasy
And cast a spell of ecstasy.
A little touch of magic
In this world obsessed with science.Prechorus:
I'll be your Carol Anne
I'll be your pentagram
Let's dabble in the black arts
This is not a game
Let me spell my name
Let's keep this in the darkChorus:
A-B-C-D-E-F-G
Call me on the Ouija Board
H-I-J-K-L-M-N-O-P
Call me on the Ouija Board

We don't need no telephone
