So many stars

Stacey Kent

The dawn is filled with dreams
So many dreams, which one is mine?
One must be right for me
Which dream of all the dreams?
When theres a dream for every star
And there are oh so many stars, so many starsThe wind is filled with songs
So many songs, which one is mine?
One must be right for me
Which song of all the songs
Where theres a song for every star?
And there are oh so many stars, so many starsAlong the countless days
The endless nights that I have searched
So many eyes, so many hearts, so many smiles
Which one to choose? Which way to go?
How can I tell? How will I know?
Out of oh so many stars, so many starsSo many smiles
Which one to choose? Which way to go?
How can I tell? How will I know?
Out of oh so many stars, so many stars
So many stars, so many stars
