Don't Let Him Ride

Aaron Neville

Don't let the devil ride
Oh, don't you let the devil ride
If you let the devil ride, he will wanna drive
Don't let him ride
Don't you let him flag you down, oh
Oh, don't you let him flag you down
If he flags you down, he'll turn your soul around
Don't let him ride
Don't you let him be your boss
Oh, don't you let him be your boss
If you let him be your boss, your soul will be lost
Don't let him ride
Don't let him drive your car
Oh, don't you let him drive your car
If you let him drive your car, he'll surely go too far
Don't let him drive
Don't you let him call your name
Oh, don't you let him call your name
If you let him call your name, you'll get there just the same
Don't let him ride
Don't let the devil ride
(Don't let the devil ride)
Don't you let the devil ride
(Don't let the devil ride)
Don't you let the devil ride
(Don't let the devil ride)
Don't you let the devil ride
(Don't let the devil ride)
Don't you let the devil ride
(Don't let the devil ride)
Don't you let the devil ride
(Don't let the devil ride)
Don't
