Sorry, Not Sorry

Amen

Sit back and open fire
With legs until desires
Sit back and open fire
Sit back and just retireSit back and open fire
Sit back andLive in submission, live in a choice
It never meant that much to me
Without permission, without a voice
I only live when I cant breatheWe couldnt kiss, we couldnt fight
We couldnt wait for tomorrow
Without a fist, without a fight
We waited for no tomorrowSorry
Im not sorry
Sorry to live my life this way
Sorry to let myself decaySorry
Im not sorry
Sorry to live my life this way
Sorry to let myself decaySit back and open fire
Sit back andIt didnt kill us, the pleasure did
Infected from the things I did
Rip off the willing, rip off the tried
Slip in beds and open fireRight now, let it be known
And right now just leave me alone
That its too close for you cause its too close for me
It meant nothing to you, it was nothing to meSorry
Im not sorry
Sorry to live my life this way
Sorry to let myself decaySorry
Im not sorry
Sorry to live my life this way
Sorry to let myself decaySit back and open fire
Sit back andRight now
Just let them open fire
Right now
Just let them open fireRight now
Just let them open fire
Right now
Just let them open wideRight now
(Sorry)
Right now

(Im not sorry)
Right now
(Sorry)
Right now
(Im not sorry)Sit back and open fire
