

# Sorry, Not Sorry

## Amen

Sit back and open fire  
With legs until desires  
Sit back and open fire  
Sit back and just retire  
Sit back and open fire  
Sit back and Live in submission, live in a choice  
It never meant that much to me  
Without permission, without a voice  
I only live when I cant breathe  
We couldnt kiss, we couldnt fight  
We couldnt wait for tomorrow  
Without a fist, without a fight  
We waited for no tomorrow  
Sorry  
Im not sorry  
Sorry to live my life this way  
Sorry to let myself decay  
Sorry  
Im not sorry  
Sorry to live my life this way  
Sorry to let myself decay  
Sit back and open fire  
Sit back and open fire  
It didnt kill us, the pleasure did  
Infected from the things I did  
Rip off the willing, rip off the tried  
Slip in beds and open fire  
Right now, let it be known  
And right now just leave me alone  
That its too close for you cause its too close for me  
It meant nothing to you, it was nothing to me  
Sorry  
Im not sorry  
Sorry to live my life this way  
Sorry to let myself decay  
Sorry  
Im not sorry  
Sorry to live my life this way  
Sorry to let myself decay  
Sit back and open fire  
Sit back and open fire  
Just let them open fire  
Right now  
Just let them open fire  
Just let them open fire  
Right now  
Just let them open wide  
Right now  
(Sorry)  
Right now

(Im not sorry)  
Right now  
(Sorry)  
Right now  
(Im not sorry)Sit back and open fire
