Let Them Be Little

Billy Dean

I can remember when you fit in the palm of my hand
Felt so good in it, no bigger than a minute
How it amazes me, you're changing with every blink
Faster than a flower blooms they grow up all too soonSo, let them be little 'cause they're only that way for awhile
Give them hope, give them praise, give them love every day
Let them cry, let them giggle, let them sleep in the middle
Oh, but let them be littleI've never felt so much in one little tender touch
I live for those kisses, your prayers and your wishes
And now that you're teaching me how only a child can see
Tonight while we're on our knees all I ask is pleaseLet them be little 'cause they're only that way for awhile
Give them hope, give them praise, give them love every day
Let them cry, let them giggle, let them sleep in the middle
Oh, but let them be littleSo innocent, a precious soul, you turn around and
It's time to let them goSo, let them be little 'cause they're only that way for awhile
Give them hope, give them praise, give them love every day
Let them cry, let them giggle, let them sleep in the middle
Oh, just let them be littleMm, Let them be little
