

One 2 Three

4Lyn

Make some muthafuckin' noise
For me and my team First I come one time for ya mind
(First I come one time for ya mind)
Then I come two times for my fuckin' rhymes
(then I come two times for my fuckin' rhymes) After that I come three times 'cause the outcome is trashy
For LYN, Lil Young and Nasty
It's all about roach clips, tits and gettin' high
And I want all you muthafuckas to jump yo' butts in da sky Buckle up, grease monkey
No engine can run faster, when no.11's in the muthafuckin' trunk
Chi brings da funk in, Deee brings da bump in
Braz da aggression, Wikked is in session Flow rock skee and DMK, audio and visual
More than a crew to me
(It's like)
One and here comes the 2 to the 3
It's for L, Y, N on you fuckers, come on, sing with me One 2 three, 4Lyn's in the place to be
One 2 three
One 2 three, 4Lyn's in the place to be
