

Heaven's What I Feel (Radio Edit)

Gloria Estefan

Love sometimes
Can be like destiny
There's no way to say forever
It may not realize your dreams And love sometimes
Is like the blowing wind
It can take us to wherever
Sending us on silent wings But I have broken
All the rules of love
I never dreamed that I could
Come this far
And now I'm lost in my emotions
You're becoming my devotion
There's nothing I can do
To stop this love for you I was not supposed to fall in love with you
I have someone else
And someone else is loving you And I was not supposed to let this love get through
So let me say for real
Heaven's what I feel when I'm with you This feeling is forever (it is forever)
You make me feel like heaven (I feel like heaven)
My love is true when I'm with you How could I
Have known that in your eyes (in your eyes)
I would find the deepest answers
To the questions of my heart And how could I have known
That by your side
Was the light to fill the darkness
In the shadows of my life But I have broken
All the rules of love
I never dreamed that I could
Come this far
And now I'm lost in my emotions
You're becoming my devotion
There's nothing I can do
To stop this love for you I was not supposed to fall in love with you
I have someone else
And someone else is loving you And I was not supposed to let this love get through
So let me say for real
Heaven's what I feel when I'm with you This feeling is forever
You make me feel like heaven
My love is true when I'm with you (Heaven, heaven)

Is what I feel when we're together
(Heaven, heaven)
Just look in my eyes and you'll see it's the truth I was not supposed to fall in love with you
I have someone else
And someone else is loving you And I was not supposed to let this love get through
So let me say for real
Heaven's what I feel when I'm with you
