

# Getting Paid

Nicki Minaj

It's going down, down Barbie  
Pushing a pink Ferrari  
I race through Africa  
Just to see the safari  
I am the baddest bi\*tch  
In America  
Slicker than a jerri curl  
Just ask Erica  
The black Sarah Jessica  
je-je-je-je-je-je-jeJESSICA!!  
Don't be text messaging me  
I never check my messages  
Only thing you could ask me  
Is how I want my sandwiches  
I want more cheese  
Lots and lots of cheese  
And when I'm on the stage  
I'm with SB's  
And when you see my luggage  
It says LV  
And when I'm on the plane  
It's so empty  
Hmmm. That's why all those female rappers envy HAHAAAAHA
