You're Gonna Hear From Me

Scott Walker

Move over, sun
And give some sky
I've got me some wings
I'm eager to try
I may be unknown
But wait till I've flownYou're gonna hear from meMake me some room
You people up there
On top of the world
I'll meet you, I swear
I'm staking my claim
Remember my nameYou're gonna hear from meFortune smiles
On the road before me
I'm Fortune's child
Listen, world, you can't ignore meI've got a song
That wants to be played
Raise up a flag
Begin my parade
Then watch the world over
Start coming up cloverThat how it's gonna be
You'll seeYou're gonna hear from me
