

You're Gonna Hear From Me

Scott Walker

Move over, sun
And give some sky
I've got me some wings
I'm eager to try
I may be unknown
But wait till I've flown
You're gonna hear from me
Make me some room
You people up there
On top of the world
I'll meet you, I swear
I'm staking my claim
Remember my name
You're gonna hear from me
Fortune smiles
On the road before me
I'm Fortune's child
Listen, world, you can't ignore me
I've got a song
That wants to be played
Raise up a flag
Begin my parade
Then watch the world over
Start coming up clover
That how it's gonna be
You'll see
You're gonna hear from me
