

Intermission

Jerrod Niemann

Hi.

Thought I left, didn't you?

I'm a highly paid voice talent.

You can't get rid of me that easily.

Is it odd to be 4 years old with a voice like this? (*
Groan*) I think I just made boom-boom in my pants.

Hey, you!

Is your volume knob broken?

Don't just sit there.

What you need to do is turn...

it...

up!
