Gone for Good

Morphine

I'm never goin' back
Never goin' back to you
I'm never gonna see you again
I'm never gonna dig out your picture
I'm never gonna look you up somedayLife is very short
You don't love me anymore
So I'm never gonna see you again
I'm never gonna write you a letter
Never gonna call you on the phoneI'm never gonna drive by your house
I'm never gonna catch you comin' outside
Never gonna walk up your walk
And ring your bell
And feel you fall into my armI'm never gonna see you
I'm never gonna see you
I'm never gonna see you again
You're gone for good
