

What You Need

INXS

Hey, here is the story
Forget about the troubles in life
Don't you know, it's not easy
When you gotta walk upon that lineThat's why
 You need
 That's why
This is what you need, I'll give you what you needDon't you get sad and lonely
 You need a change from what you do all day
 Ain't no sense in all your crying
Pick it up and throw it into shapeThat's why you need, oh that's why
 This is what you need, I'll give you what you need
 This is what you need, I'll give you what you need
 This is what you need, I'll give you what you need
 I'll give you what you need
