This Years Most Open Heartbreak

Funeral for a Friend

Throw that punch swing to hit the target
Pointless game one better less played
Suicide to kiss your kids goodnight
What you've taken
What they've taken from youTo be the last one who will sing you to sleep
To be the last one who will sing you toJust like your broken records
(You're broken)
Will convert for you tonightThrow that punch swing to hit the target
It's a pointless game one better less played
Suicide to kiss your kids goodnight
What you've taken
What they've taken from youJust like your broken records
(You're broken)
Will convert for you tonight
Just like your broken records
(You're broken)
Will convert for you tonight(We will never be the same)
Same old songs on a brand new stereo
(We will never be the same)
Same old songs on a brand new stereo
(We will never be the same)
Same old songs on a brand new stereo
(We will never be the same)
Same old songsTo be the last one who will sing you to sleep
To be the last one who will sing you toJust like your broken records
(You're broken)
Will comfort for you tonight
Just like your broken records
(You're broken)
Will comfort for you tonight
