

# Breezin' Along With The Breeze

Josephine Baker

I have been a rover since I was a child,  
No one to love or care for me.  
Knocked around all over, kinda grew up wild -  
My home's wherever I may be.  
Ain't no someone yearnin', wonderin' where I be;  
I'm gone, but no one's missin' me;  
Ain't no light a-burnin' ev'ry night for me;  
I'm like a bird that's flyin' free.(Melody:)  
I'm just breezin' along with the breeze,  
Trailin' the rails, roamin' the seas.Like the birdies that sing in the trees,  
Pleasin' to live, livin' to please.(Bridge:)  
The sky is the only roof I have over my head;  
And when I'm weary, Mother Nature makes my bed.  
I'm just goin' along as I please,  
Breezin' along with the breeze.
