All She Can See

Dishwalla

I've never, I've never known such pure madness
And for her it's all she can see
I've never, I've never known such pure madness
And for her it's all she can see
How she laid low, laid low on the floor
How she yelled no, how she yelled with all of her heart no, no
Still it's all she can see
How the pain ran deep
How she holds her eyes to the ground
What a waste of soul, what a waste
Never, never, never will she live without it
Think about it, can she live without it?
Never will she live without it, no
Still it's all she will see, no more, no more
No, no, no more
Still it's all, it's all, all she can see
Still it's all, it's all, all she can see
Still it's all, it's all, it's all she can see
