

# In Christ (LP Version)

## Big Daddy Weave

Well I may not be the greatest man to walk this earth  
But I know who is  
And I may not amount to what you think is much  
But I already do to Him  
While people keep searching for answers  
Looking for a light in the dark  
I'm standing with the answer  
'Cause He is living in my heart  
In Christ I can do all things  
In Christ I mount up on eagle's wings  
In Christ I wait for a great reward  
That I have in store  
In Christ I have His righteousness  
In Christ I have what I confess  
In Christ I don't worry about all the rest  
Cause everything I need to be is in Christ  
Well you might think that I'm sounding all too prideful  
But let me tell you something true  
The very one who lives inside of me right now  
Wants to live inside of you  
Instead of searching any longer  
You can have peace today  
You can take hold of the answer  
Then you'll be able to say  
In Him we live and move  
And in Him we have our being  
As we all live in Him
