

Anti-Love Song (Album Version (Edited))

Cold

Well I saw the preacher
But I won't be there on Sunday
Everyone came again
Everyone loved her No one got used to this
These motherfuckers raped me
Everyone came again
Everyone fucked you It's not over but it's over now I heard the news today
These stuck-up suckers raped me
Everyone came again
Everyone loved her I won't get used to this
The motherfuckers saved me
Everyone came again
Everyone fucked you It's not over but it's over now Take time away
Go rage my friend
Everyone goes far here today
And I can see the change come here
