

# Say You, Say Me

## Wildlife

Say you, say me, say it for always  
That's the way it should be  
Say you, say me, say it together  
Naturally I had a dream I had an awesome dream  
People in the park playing games in the dark  
And what they played was a masquerade  
And from behind of walls of doubt  
A voice was crying out Say you, say me, say it for always  
That's the way it should be  
Say you, say me, say it together  
Naturally As we go down life's lonesome highway  
Seems the hardest thing to do is to find a friend or two  
A helping hand, some one who understands  
And when you feel you've lost your way  
You've got some one there to say, "I'll show you" Say you, say me, say it for always  
That's the way it should be  
Say you, say me, say it together  
Naturally So you think you know the answers, oh no  
Well the whole world has got you dancing  
That's right, I'm telling you  
It's time to start believing, oh yes  
Believing who you are, you are a shining star Say you, say me, say it for always  
That's the way it should be  
Say you, say me, say it together  
Naturally  
Say it together  
Naturally
