# Cry For Love

## David Coverdale

I lost my heart in a moment of madness
Took a chance on a romance with you
But you roll your dice as cold as ice
Lady luckÂ´s got nothing on you

ItÂ´s too bad IÂ´m all out of luck again
You deal your cards under the table
Never giving nothing away
YouÂ´re the black queen of hearts
Tearing me apart
Cheating on me night and day

ItÂ´s too bad IÂ´m all out of luck again
Somebody throw me a life preserver
CosÂ´ IÂ´m going down with a cry for love
A cry for love

IÂ´m outta luck and youÂ´re no lady
This game of love ainÂ´t treating me right
So pour another shot, double what you got
Get me drunk as a skunk tonight

ItÂ´s too bad IÂ´m all out of luck again
Somebody throw me a life preserver
CosÂ´ IÂ´m going down with a cry for love

I canÂ´t run, I canÂ´t hide
Always on the losing side
CanÂ´t you see me
CanÂ´t you hear a cry for love
A cry for love, a cry for love

Somebody throw me a life preserver
Get me off shaky ground
Call off the dogs that hound me
CosÂ´ IÂ´m going down with a cry for love
A cry for love, with a cry for love
Cry for love

Cry, cry, cry, cry for love...
