Beautiful (as You)

Jim Brickman

From the moment I saw you
From the moment I looked into your eyes
There was something about you I knew, I knew
That you were once in a lifetime
A treasure near impossible to find
And I know how lucky I am to have you
'Cause I've seen rainbows that could take your breath away
The beauty of the setting sun, on any given day
And when it comes to shooting stars I have seen a few
But I've never seen anything as beautiful as you
I can't believe that I have you
I can't believe that you're here in my arms
I've been waiting a life time for you, for you
And I've dreamed about you
Pictured in my mind who I would see
But I never imagined just how beautiful you'd be

'Cause I've seen rainbows that could take your breath away
(Take your breath away)
The beauty of the setting sun, on any given day
(Any given day)
And when it comes to shooting stars I have seen a few
But I've never seen anything as beautiful as you
I've seen rainbows that could take your breath away
(Take your breath away)
The beauty of the setting sun, on any given day
And when it comes to shooting stars I have seen a few
But I've never seen anything as beautiful
But I've never seen anything as beautiful as you
From the moment I saw you
From the moment I looked into your eyes
