

All

Dorje

All you did was sit there
Like a shadow in the corner
All you said was nothing
Though your words poured out like a waterfall
All you held was precious
Finding faith in those around you
All you gave was jealousy
You caused me pain and suffering

All

All

All you gave was everything
You're the king of nothing?
You're the king of nothing?
All you did was worry
Because worrying is easy
Easier than dealing
With the source of all your feelings
Each word will release you
From the promise you were keeping
Keep you for yourself as though?

All

All

All you gave was everything
You're the king of nothing?
You're the king of nothing?
