

# How Can I Tell You

Cat Stevens

How can I tell you  
That I love you, I love you  
But I can't think of right words to say I long to tell you  
That I'm always thinking of you  
I'm always thinking of you  
But my words just blow away  
Just blow away It always ends up to one thing  
Honey and I can't think of right words to say Wherever I am girl  
I'm always walking with you  
I'm always walking with you  
But I look and you're not there Whoever I'm with  
I'm always, always talking to you  
I'm always talking to you  
And I'm sad that you can't hear  
Sad that you can't hear It always ends up to one thing  
Honey, when I look and you're not there I need to know you  
Need to feel my arms around you  
Feel my arms surround you  
Like a sea surround a shore And each night and day I pray  
In hope that I might find you  
In hope that I might find you  
Because heart's can do no more Do It always ends up to one thing  
Honey, still I kneel upon the floor How can I tell you that I love you  
I love you  
But I can't think of right words to say I long to tell you  
That I'm always thinking of you  
I'm always thinking of you It always ends up to one thing  
Honey and I can't think of right words to say
