

Release (feat. Maranda Curtis & John P. Kee)

The Church Choir

(Chorus) I'm so glad today

I heard you

Clearly

Grateful

In spite of my circumstance

All I want to do is

Serve you

Love you

Praise you

You gave me another chance

I was broken

Hearted

I bowed

Down

Shackled

Heavy

Free me

Now

That was my plea

And you liberated

Me

(Verse) All the things You know I've been through

Made me

Gave me

Strength that I can endure(Choir) In the secret place

I'm dwelling

Safely

Ever so bravely

Your foundation's standing sure

I was broken

Hearted

I bowed

Down

Shackled

Heavy

Free me

Now

That was my plea

Lord

(choir and leader) And You liberated me

(Leader) Release

Give it to me

I need

A blessing right now

Release, release

Give it to me

I need

A blessing right now(Choir) Release

Give it to me

I need

A blessing right now

Repeat 3xs and modulate on the 4th

Repeat hook 3xs(music break)

That was my plea

And you liberated me
