Each Other

Kem

I'm talking to You, it's Your son
Father, I can't believe all the things
We have done to each other
The problem I find, in all my years
The danger is high though Your love is near
So what can be done to heal each other
I hold my head up high to ease the pain

But quite frankly Lord, I don't know how much more
This world can take, yes we need more love for each other
Lord it's me, it's Your son
Trying to take a stand for peace, like Your other one
Send us Your love, 'cause we need each other
We need, we truly need each other
