

Losing Your Memory

[Ryan Star](#)

Call all your friends
Tell them I'm never coming back
'Cause this is the end
Pretend that you want it, don't react
The damage is done
The police are coming too slow now
I would have died
I would have loved you all my life
You're losing your memory now
You're losing your memory now
You're losing your memory now
You're losing your memory now
Where have you gone?
The beach is so cold in winter here
And where have I gone?
I wake in Montauk with you near
Remember the day
'Cause this is what dreams should always be
I just want to stay
I just want to keep this dream in me
You're losing your memory now
You're losing your memory now
You're losing your memory now
You're losing your memory
Wake up, it's time, little girl, wake up
All the best of what we've done is yet to come
Wake up, it's time, little girl, wake up
Just remember who I am in the morning
You're losing your memory now
You're losing your memory now
You're losing your memory now
You're losing your memory
You're losing your memory now
You're losing your memory now
You're losing your memory now
You're losing your memory
