

# Rat Race

## Dead Ghosts

Well if the big wheel keeps on spinning  
Then you can't stop to get off.  
But in this time we live in  
You need a drugstore to kill your heart. And you're running the race  
Aw it's making you sick now  
Better watch your pace  
Or you're gonna get kicked down  
I just wanted to hold ya  
Even if tomorrow  
If they close down the train  
We'll be running the race. The answers always come so easy  
And it's hard not to be wrong  
You think you've got all you want  
And it's a grocery list 2 miles long  
And you're running the race  
Aw it's making you sick now  
Go at your pace  
Or you're gonna get kicked down  
I just wanted to hold ya  
Even if tomorrow  
If they close down the train  
You'll be running the race. I just can't begin  
Life's just sink or swim  
Go on swimming easy  
Somewhere warm and breezy  
And we won't go back again. There's tons of things you think you need  
And they can be hard to put down  
But that's okay 'cause in the end  
You're pushing daisies out of the ground  
And you're running the race  
Aw it's making you sick now  
Go at your pace  
Or you're gonna get kicked down  
I just wanted to hold ya  
Even if tomorrow  
If they close down the train  
We'll be running the race.  
We'll be running the race  
Hey Hey Hey

Hey Hey Hey  
We'll be running the race now  
Hey Hey Hey  
Hey Hey Hey  
(etc. til fade out)
