Beautiful Lies

Jenny Franck

Something doesn't seem rightâ€¨
All my world's in flightâ€¨
You wrapped your thoughts around herâ€¨
Everything I'm ashamed ofâ€¨
Everything I'm to blame of
â€¨You wrapped your thoughts around herAnd I'm just sitting hereâ€¨
Watching you, waitingâ€¨
We seem to be compromisedâ€¨
I can see it all fadingYou're the best at your Beautiful Lies
â€¨I'm the best at just making me cry
â€¨Everything you had made me believeâ€¨
All of it isn't what I should beReally want to believe youâ€¨
Just pretended to see youâ€¨
You wrapped your thoughts around her
â€¨Everything I'm ashamed of
â€¨Everything I'm to blame of
â€¨Your mind plays tricks around me
â€¨Around and around and around and aroundâ€¨
And around and aroundâ€¨â€¨You're the best at your Beautiful Lies
â€¨I'm the best at just making me cry
â€¨Everything you had made me believe
â€¨All of it isn't what I should beAnd I'm just sitting hereâ€¨
Watching you, waitingâ€¨
We seem to be compromisedâ€¨
I can see it all fadingYou're the best at your Beautiful Liesâ€¨
I'm the best at just making me cryâ€¨
Everything you had made me believeâ€¨
All of it isn't what I should beâ€¨â€¨You're the best at your Beautiful Lies
â€¨I'm the best at just making me cry
â€¨Everything you had made me believe
â€¨All of it isn't what I should be
