Have You Looked into Your Heart

Jerry Vale

Have you looked into your heart
did you find a memory or two
Even though the flame has died
Maybe there's a spark inside
Have you looked into your heartHave you searched through all your dreams
did you ever find a trace of me
Even though you say we're through
That I'm not the one for you
Have you looked into your heartWhen the evening shadows
Fall upon my window pane
I find I'm crying over, and over
And over and over and over againSince we've been apart
All I do is pray for your return
Take a look and you will see
Maybe there's a place for me
Have you looked into your heart
