

# Ball of Destruction (w/hidden Track)

## Madball

You wanna try and fuck with me  
And disrespect my family  
You wanna judge the way I live  
And you don't even know me You'll never understand our hate  
It doesn't matter anyway  
Never understand our kind  
Try to disrespect what's mine Your words don't mean a thing to me  
You're living in a fantasy  
Now we have no more to say  
We'll get about it our way Game has gone far enough  
And it's time we put it to an end  
We're comin' out with all we got
