Dollar bill, dollar bill
You ain't talking bread then you got to chill
Real or fake man i'm so for real
Selling weight takes a little skills
A little work up a little hill

It takes many hands like jack and jill
Team work to make it ew
Just to let the people know how i feel
Royalty, loayalty
Two of the things that's suppose to be
Only fam gets close to me
Shoutout to my mom who spoiled me
Greek god mythology
I smoke strong no hercules
Biggie's raps is what started me
First man off my family tree
