Starworshipper

Futurecop!

Racing high, livin' the 80's dream
Someone's calling, and I think it might be for me
Stars can be blinding
An illusion I can see
Wanting a picture with your autograph, please
Color kids are lining down the block
Spectrum of a light-shine that makes 'em want more
Shimmering rays on the stage-man glow
Leaves them wanting more
Leaves them wanting more
Leaves them wanting moreI just want you to know
Girl, I just want you to know
Well, I just want you to know
If I'm driving you crazyStarworshipper callin' out a name
Waiting 'round the backstage door, tryin' to get in
Been lookin' at your poster on my wall
And I'm wanting more
Yeah, I'm wanting more
Starworshipper callin' out a name
Waiting 'round the backstage door, tryin' to get in
Been lookin' at your poster on my wall
And I'm wanting more
Yeah, I'm wanting more
Starworshipper callin' on the fame
Waiting 'round the backstage door, tryin' to get in
Been lookin' at your poster on my wall
And I'm wanting more
Yeah, I'm wanting moreKeys, ignition, I'm driving hard
I'm a 1980's superstar
Devo Man, let me whip it good
Repo Man, let me lift that hood
DeLorean, no boring them
Sleep with the linen, they snore in them
Deal with news and leave you lonely
Yeah, this jacket is Members Only
Fly nights
Let's drive into the night sky
Stars is bright
Ain't never met a girl this awesome, baby

Damn, how much this costin' lady?
Don't matter microchips
Sippin' on a Tab, take your micro-sips
If I got it, it's your wish
But, baby, you gotta know thisPick me up and look right at me
And say, "This song's dedicat'd to you, baby."
You whisper in my ear and kiss me on the cheek
I can't believe this is happening to me
Day and night I'd sing your song
Think about how we would get along
Lost in the moment, lost in a dream
I can't believe this is happening to meStarworshipper callin' out a name
Waiting 'round the backstage door, tryin' to get in
Been lookin' at your poster on my wall
And I'm wanting more
Yeah, I'm wanting more
Starworshipper callin' out a name
Waiting 'round the backstage door, tryin' to get in
Been lookin' at your poster on my wall
And I'm wanting more
Yeah, I'm wanting moreStarworshipper
StarworshipperYeah, I just want you to know
Girl, I just want you to know
Well, I just want you to know
If I'm driving you crazy
Well, I just want you to know
(know, know, know, know)
Yeah, I just want you to know
(know, know, know, know)
Girl, I just want you to know
I know I'm driving you crazy
