

My Out Of Style Is Coming Back

Matthew Good Band

Some days are short
Some days are longer
I sold my skin, I sold the skin
That I am in for a plan
My out of style is coming back
I'm bored but I'm excited
Our out of style is coming back
We're bored but we're excited
Some days are more
Some days than others
I'll shed my skin
I'll shed my

My out of style is coming back
I'm bored but I'm excited
Our out of style is coming back
We're bored but we're excited
I tried but it failed me
Like everything that's cool is over, my skull
I tried but it failed me
Living only to die dumb
My out of style is coming back
I'm bored but I'm bored but I'm
Our out of style is coming back
I'm bored and I'm crooked like everybody
