Jersey Girl

Hal Ketchum

Got no time for the corner boys
Down in the street makin' all that noise
Don't want no hos on 8th Avenue
'Cause tonight I'm gonna be with youTonight I'm gonna take that ride
Cross the river to the Jersey side
Take my baby to the carnival
Well, I'll take you on all the ridesDown the shore, everything's alright
You're with your baby on Saturday night
Don't you know all my dreams come true
When I'm walking down the street with youSing, shalalalalalala
Shalalalalalala
Shalalalalalala
When you're in love with a Jersey girlYou know you thrill me with all your charms
When you're wrapped up in your baby's arms
You know you give me everything
I know someday that you'll wear my ringDown the shore, everything's alright
You're with your baby on Saturday night
You know all my dreams come true
When I'm walking down the street with youSing, shalalalalalala
Sing, shalalalalalala
Shalalalalalala
When you're in love with a Jersey girlI call your name
I can't sleep at nightSing, shalalalalalala
Sing, shalalalalalala
Sing, shalalalalalala
When you're in love with a Jersey girlSing, shalalalalalala
Sing, shalalalalalala
Sing, shalalalalalala
When you're in love with a Jersey girlShalalalalalala
Shalalalalalala
Shalalalalalala
