Monkey Chow

Slash's Snakepit

1, 2, 3, 4I got this dirty politician
In my pocket full of greed
I take him out for parties
And I let him do his thingDid you see that silver T.S
Showin' off his new glam, man
Then he pushed his platform boots
Through his bitch's velvet pantsI'm gonna, wanna get it
I'm gonna, wanna spank it
I'm gonna wanna spend it
Faster than you can
I'm gonna, wanna get it
I'm gonna, wanna spank it
I'm gonna, wanna spend it
Faster than you canSmash, fast, smash
Let the monkey do his thing
Smash, fast, smash
Let the monkey do his thingWhat you gonna do
When you got everything you want?
Someone's gonna tell you
Everything you want is wrongI'm gonna, wanna get it
I'm gonna, wanna spank it
I'm gonna wanna spend it
Faster than you can
I'm gonna, wanna get it
I'm gonna, wanna spank it
I'm gonna, wanna spend it
Faster than you canSmash, fast, smash
Let the monkey do his thing
Smash, fast, smash
Let the monkey do his thingOhGonna, wanna buy it
Gonna, wanna try it
Why you wanna fake it?
'Cause you know you canI'm gonna, wanna get it
I'm gonna, wanna spank it
I'm gonna wanna spend it
Faster than you can
I'm gonna, wanna get it
I'm gonna, wanna spank it
I'm gonna, wanna spend it

Faster than you canSmash, fast, smash
Let the monkey do his thing
Smash, fast, smash
Let the monkey do his thingSmash, fast, smash
Let the monkey do his thing
Smash, fast, smash
Let the monkey do his thing
