

Captured

Brian Kennedy

Oh I just heard a melody and it almost made me cry

 My voice was filled with yearning

 But that's not all, there's something else

 No that's not all, there's something else.

Every word was in my ear and every note was crystal clear

 Oh how you captured my heart

 Oh how you captured my heart.

You spoke to me with another tongue but I understood alright

 Cause I believe in feeling

 But that's not all, there's something else

 No that's not all, there's something else.

Every word was in my ear and every sound would just appear

 Oh, how you captured my heart

 Oh how you've gone and captured my heart

 Oh how you captured my heart.

That's not all, no that's not all, there's something else

No that's not all, that's not all, there's something else.

You know that every word was in my ear and every note was crystal clear

 Oh how you captured my heart

 Oh how you've gone and captured my heart

 Oh how you captured my heart

 Oh how you've gone and captured my heart

 Oh how you captured my heart
