

Wheels of Fire

Judas Priest

Born on the other side
Of the track
Gotta get outta here
I won't look backBorn on the other side
Wild as a hurricane
Living in overdriveWheels of fire
In my soul
Wheels of fire
Wheels of fire, let 'em rollToo fast to give a damn
Stand my ground
No one or anything
Can tie me downBorn on the other side
Wild as a hurricane
Living in overdriveWheels of fire
In my soul
Wheels of fire
Wheels of fire, let 'em rollRide to live
Live to ride
Wheels of fire, foreverBorn on the other side
Wild as a hurricane
Living in overdriveWheels of fire
In my soul
Wheels of fire
Wheels of fire, let 'em rollWheels
Wheels of fire
