Bitch I'm Sexy

Dark Lotus

Bitch,
Do you wan't me?
Do you wan't me?
Cause I'm famous
I'm famous
Is that right?
That's right
Sexay!
What!
Get tea bagged!
On your face!
Bitch!
Haha
HAHAHA
[Jamie Madrox:]Bitch I'm the sexiest killa you know
Come equiped with an axe and some love handles
Vampire out of the water, straight to land
Can a killa that you know fuck you better than I can?
If you say that they could bitch, you's a lie
You must of never had a juggalo between your thighs
Didn't like the fat kid that was cutting your lawn
Now your giving head shots for your favorite song
[Shaggy 2 Dope:]So bitch you think I'm se-xy
And you want my wi-lly
Then you best expect me

To slap you in your fu-cking mouth
Oh that's right bitch you like killas in disguise
Sure I'll fuck, but don't expect to loose a lot
I'll make sweet love to the neden of a juggalette
A fake bitch out for props gets her neck wet
[Chorus:]Baby am I se-xy
Tell me am I se-xy
Baby am I se-xy
Tell me am I se-xy
Baby am I se-xy
Tell me am I se-xy
Baby am I se-xy
Tell me am I se-xy

[Blaze Ya Dead Homie:]What up young bitch, I know you like dick
Drop to your knees and tell me what you think
As my dick slides up, in and out your face
11 years dead punk bitch fuck bitch how it taste?
Lay your ass down and close your eyes
Imagine dead dick between your thighs
Can't nobody do it quite like this
I might be dead but I'm sexy bitch!
[Monoxide Child:]Bitch I can't front, in the days of no pain
I still had the game to put your face on fame
Monox boogie in this bitch with my dick on hard
Face fucking all you hoes be my only drunk card
