Never Make It On Time

Advisory - the following lyrics contain explicit language:

Shoes hurting my feet
The cars are passing me by
I'm taking off the wrong streets
I'll never make it on timeNever make it on time
I'm trying to get to you
Something just won't let me through
I don't know what I'm gonna do
Help me, please'Cause I can swim in a stream
And I can hear the clock chime
'Cause I come in a bad dream
I'll never make it on timeNever make it on time
I'm trying to get to you
Something just won't let me through
I don't know what I'm gonna do
Help me, pleaseJust to know he's waiting
Makes it more frustrating
But there's a pain
Nothing I can doIt's kind of funny to see
He's always treated me so kind
He's always good to me
I'll never make it on timeI won't make it on time
No way I'll make it on time
I'm really sorry but it just don't look as if
I'm gonna be there on timeI won't make it on time
