Aleyah

The Scorpions

The easy way
Is not the way my life will take
Because the limit is the sky
The easy way
Is not the way that I can take
My life's in pieces half the time
Dancing on a razor blade
Break the ice but never break
Where the time meets destiny
Take your chance and come with me
Aleyah
The easy way
Is not the way that I can take
I keep on dancing in the sky
It's the way
And not the goal that will make it
All so special in my life
Dancing on the pulse of time
Bring it home across the line
Come with me
Aleyah
Dancing on a razor blade
Break the ice but never break
Where the time meets destiny
Take your chance and come with me
Aleyah
Life in the fast lane
Don't you think baby
To make it up there
We gotta be crazy
