

Your Love

The Outfield

Josie's on a vacation far away
Come around and talk it over
So many things that I want to say
You know I like my girls a little bit older
I just want to use your love tonight
I don't want to lose your love tonight
I ain't got many friends left to talk
to
Nowhere to run when I'm in trouble
You know I'd do anything for you
Stay the night but keep it under cover
I just want to use your love tonight
I don't want to lose your love tonight
Try to stop my hands from shaking
But something in my mind's not making sense
It's been a while since we were all alone
But I can't hide the way I'm feeling
As you're leaving please would you
close the door?
And don't forget what I told you
Just 'cause you're right that don't mean I'm wrong
Another shoulder to cry upon
I just want to use your love tonight
I don't want to lose your love tonight
I just want to use your love tonight
I don't want to lose your love tonight
I just want to use your love tonight
I don't want to lose your love tonight
Use your love, lose your love, your love!
