

28/83 (she Ain't In It For The Love)

Sammy Kershaw

They're the talk of the town
Word's going 'round, they've tied the knot
Everybody knows, she's digging for gold
But, she swears she's not
Twenty eight and eighty three
Man, that just don't add up to me.

She ain't in it for the love
She's foolin' him, but she ain't foolin' us
She's in it for the house and the cars
And the pool and the parties, all that stuff
She's in it for the ring
Man she's taking him for everything
She ain't in it for the love
She's in it for the country club.

It's tennis at ten
Brunch and then, she hits the greens
They both meet, for evening drinks
And fine cuisine
It's been rumored, it's been said
That they do share the same bed.

She ain't in it for the love
She's foolin' him, but she ain't foolin' us
She's in it for the house and the cars
And the pool and the parties, all that stuff
She's in it for the ring
Man she's taking him for everything
She ain't in it for the love
She's in it for the country club.

No, ain't in it for the love
She's in it for the country club...
