

Sick of It

Skillet

If you're sick, if you're sick
If you're sick, if you're sick of it
If you're sick, if you're sick
If you're sick of it When everything you do
Don't seem to matter
You try but it's not use
Your world is getting blacker When every time you fail
Has no answer
Every empty promise made
His own reminder No one can make this better
Take control, it's now or never Are you sick of it?
Raise your hands
Get rid of it
While there's a fighting chance
Are you over it?
Bored to death?
Have you had enough regret?
Take a stand, raise your hands If you're sick of it
If you're sick, if you're sick
If you're sick of it
If you're sick of it
If you're sick, if you're sick
If you're sick of it Every single day
I chase my own tail
Like the bad inside of me
Has gotta get, gotta get, get away I'm running out of time
For me to break this
I'm tired of feeling like
I'm never gonna make it No one can make this better
Take control, it's now or never Are you sick of it?
Raise your hands
Get rid of it
While there's a fighting chance
Are you over it?
Bored to death?
Have you had enough regret?
Take a stand, raise your hands If you're sick of it
If you're sick, if you're sick
If you're sick of it

If you're sick of it
If you're sick, if you're sick
If you're sick of it I'm tired of it
I'm over it
I'm bored to death Gotta face this
I'm sick of it Raise your hands
If you're sick
If you're sick of it
Raise your hands
If you're sick
If you're sick of it Sick of it
Raise your hands
Get rid of it
While there's a fighting chance
Are you over it?
Bored to death?
Have you had enough regret?
Take a stand, raise your hands Are you sick of it?
If you're sick, if you're sick
If you're sick of it Get rid of it
If you're sick, if you're sick
If you're sick of it Are you over it?
Bored to death?
Have you had enough regret?
Take a stand, raise your hands Are you sick of it?
If you're sick, if you're sick
If you're sick of it Are you sick of it?
If you're sick, if you're sick
If you're sick of it Are you sick of it?
If you're sick, if you're sick
If you're sick of it If you're sick of it
If you're sick, if you're sick
If you're sick of it
