Fly Away (Brooklyn) [feat. Illiano]

Finalie

Uh, yeah

Well, I remember those late nights (Late nights)
We were speedin' through those streets lights (Street lights)
And I asked you 'bout that G life (G life)
What you say, "yeah, we G's for life"
I'm okay, you fly away, rest easy (You fly away)
You fly away, you fly away, rest easy (You fly away, rest easy)
But I swear to God I seen better days
And right now feel that type of way
I'm okay, I'm sippin' on this Hennessy all night
I'm waitin' for you, good time means alright
Yeah, I swear to God I seen better days
And right now feel that type of way
But why'd you have to? Why'd you have to go away?
Rest easy, rest easy, I'ma try my best to hold down
You see me, you see me, I'ma pour it up and then pour it down
Don't work 'bout no thang, don't fly away
Stayed by the sky as you fly like a bird, I hope you know that
You must've not forgotten, boy, aye, I hope you know that
I put that on my life, friend, now I hope you know that
Yeah, and everything's okay
Yeah, if we fly away
I wish you found a better day, yeah, I feel that type of way
But I'ma say that for another day, you won't believe what I saw today
Yeah, I swear you won't believe me
Now it's LLB, YSMG rest easy

Well, I remember those late nights (Late nights)
We were speedin' through those streets lights (Street lights)
And I asked you 'bout that G life (G life)
What you say â€œyeah, we G's for lifeâ€•
I'm okay, you fly away, rest easy (You fly away)
You fly away, you fly away, rest easy (You fly away, rest easy)
But I swear to God I seen better days
And right now feel that type of way
I'm okay, I'm sippin' on this Hennessy all night
I'm waitin' for you, good time means alright
Yeah, I swear to God I seen better days

And right now feel that type of way
But why'd you have to? Why'd you have to go away?

I'm looking up to the sky when I cry
Tryin' to understand why I came, now, wipe them tears in my eyes
I can't say that I'm okay, think about you the whole day
When I feel down, I start thinking and press play
Start drinking and take the pain away
And somehow tryin' to ease it, I still can't believe that you're gone
I can't believe what I'm hearin' right now (Brooklyn!)
They said you're gone and them tears fall down
I feel lost and confused, I ain't go stop what we do
'Cause I know if it was me, I know you'd be there
Still holdin' me down and roll no dice
No, I can't hold back these tears
Just know that I'ma be here
And right here I carry you on me (Carry you!)
'Til we lost a brother, we go berry a G (berry a G, Brooklyn!!)

Well, I remember those late nights (Late nights)
We were speedin' through those streets lights (Street lights)
And I asked you 'bout that G life (G life)
What you say â€œyeah, we G's for lifeâ€•
I'm okay, you fly away, rest easy (You fly away)
You fly away, you fly away, rest easy (You fly away, rest easy)
But I swear to God I seen better days
And right now feel that type of way
I'm okay, I'm sippin' on this Hennessy all night
I'm waitin' for you, good time means alright
Yeah, I swear to God I seen better days
And right now feel that type of way
But why'd you have to? Why'd you have to go away?
