there is no turning back
for my obsession
are you gone and i'm lost,
what i'm looking for?
lost all the time i've got.
there's a sinful ghost
inside my soul
that tell's me: hardcore!!
reload your gun,forgot
what are you looking for.
that's the solution for.
what i sell you now
you'd never turn it back
can you feel all the pleasures flowing
and the game start to run fast
that's the dance till the coma fuck yeahSalvation, Damnation
i'm going down i'm just a Whore
and baby don't ask me why!
i've just sold my soul!
Salvation, Damnation
i'm going down i'm just a Whore
and baby don't ask me why!
i've just sold my soul!
