What Do You Know About Love?

Lloyd Cole

Rain on me, I'm not complaining
I'm soaking from my hat down to my shoes
Rain on me 'cause I'm believing
Love is something I get to loseWhat do you know about love?
What do you know about love?
What do you know about love?
What do you know about love?Take a look at my face to get my meaning
Mister I got scars on my knees
Take a look at these hands I got from praying
You better believe I do believeIt's raining on Bleecker Street
From my heart down to my feet now
Doo doo doo doo doo, doo doo doo doo doo
Doo doo doo doo doo, doo doo doo doo dooNow I know that this blood here is for bleeding
Sure as Jesus is up above
He knows my heart is just for pleading
But what do you know about love?It's raining on my Main Street
From my heart down to my feet now
Doo doo doo doo doo, doo doo doo doo doo
Doo doo doo doo doo
Raining from my heart down to my feet nowWhat do you know about love?
What do you know about love?
What do you know about love?
What do you know about love?It's raining on Bleecker Street
Raining from my heart down to my feet now
Doo doo doo doo doo, doo doo doo doo doo
Doo doo doo doo doo
Raining from my heart down to my feet, yes sirDoo doo doo doo doo
Should rain on me now
(Doo doo doo doo doo)
Falling down on me now now now now
(Doo doo doo doo doo)
Should rain on me
Raining from my heart down to my feet now nowWhat do you know about love?
What do you know about love?
What do you know about love?
What do you know about love?What do you know about love?
What do you know about love?
What do you know about love?
What do you know about love?
