

Bad Weather

John Anderson

Bad Weather Well you got time off
And your plans are made
Your baby fixed you up some lemonaid
The radio is groovin'
with your favorite song
But somethin' coming down
you haven't counted on. To say the least it's a conrtadiction
To the weatherman's latest prediction
It was supposed to be such a pretty day
The wind starts a moanin'
and the sky turns gray Bad weather is comin' in
Bad weather is back again
In the howlin' wind
And the drivin' rain
Don't go out tryin' to catch a hurricane Bad weather comin' round
Bad weather really gettin' down
When the lighten flashes
And the thunder rolls
Don't go out tryin' to catch a tornado Break It always happens on your holiday
Just when your thinkin' everythings OK
You grab your things and run inside
Yeah you can run but you can't hide From bad weather Comin' in
Bad weather is back again
In the howlin' wind
And the drivin' rain
Don't go out a flyin' in your aeroplane Break It always happens on your holiday
Just when your thinkin' everythings OK
You grab your things and run inside
Yeah you can run but you can't hide From bad weather is comin' in
Hello its a back again
In the howlin' wind
And the drivin' rain
Don't go out a sailin' in a hurricane Bad weather comin' round
Bad weather is really gettin' down
When the lighten flashes
and the thunder rolls
Don't go out tryin' to catch a tornado Bad weather
Um m m bad weather
